

First Call

International Congress LABIOFAM 2014

Dear colleague;

*The Corporate Group LABIOFAM is organizing the **International Congress LABIOFAM 2014** and the **III International Symposium on Cancer Therapy Products** to be held from 22 to 25 September, 2014 at Havana Convention Center, Cuba.*

We invite you to share with us in this new edition, which purpose is to strengthen the exchange among specialists from different geographical areas and where the dimension of contemporary biomedical sciences can be assessed.

It will be a pleasure to have you here with us during the congress, where we will be able to share days of work and scientific exchange and give you a warm welcome to our hospitable country.

Dr. José Antonio Fraga Castro
President of the Organizing Committee

Havana Convention Center, Cuba

PARTICIPANTS' PROFILE

In order to promote a wider exchange of experiences on the subject areas to be dealt with, we call on researchers, professors, professionals, technicians, students, organizations and companies related to the research, development, manufacture and commercialization of drugs for veterinary use, biological pesticides for agricultural use and public health, as well as natural products and functional foods.

MAIN SUBJECT AREAS

- **Animal health: therapeutics and prophylaxis**
- **Cancer therapy products**
- **Natural products for human health**
- **Comprehensive prevention and control programs for disease-transmitting vectors**
- **Compound and bioactive foodstuffs**
- **Agricultural biopesticides and biofertilizers**
- **Cosmetics**

SCIENTIFIC PROGRAM

The scientific program will be developed in different modalities. Keynote lectures on aspects of interest and current affairs will be given by both national and foreign experts of recognized standing, which will make the Congress more relevant. Symposia, round tables, poster presentations and oral presentations have also been planned.

ABSTRACT SUBMISSION

Soft copies of abstracts will be sent by e-mail to the Scientific Committee labiofam2014@infomed.sld.cu in Spanish and English languages before June 15, 2014. The body of the texts will not exceed 250 words. The abstracts will be typed in Times New Roman character font, 12-point size, single-spaced on letter size sheets. The structure of the presentation of abstract is as follows: title of the paper (in capital letters in bold type), author(s), institution, full address, city, country. The Scientific Committee will inform you about whether the papers have been accepted or not, which does not exclude the possibility of attendance as delegates on the part of their author(s). The scientific committee will define the modalities to present the papers.

A space of 1,20 x 0,80 m will be available for the poster presentations. The layout of posters is at the author's choice and it will include the following visible parts: title, author(s), introduction/objectives, materials and methods, results and conclusions.
